

EMSB : Update - COVID-19 - March 16, 2020 - 6h50pm

Dear EMSB Guidance Counselors,

We wish to assure you that we are aware that you have been directed to present yourself at work on Monday, March 16th and Tuesday, March 17th, 2020. We share your dissatisfaction with this situation. The Ministry has given school board administration a certain amount of flexibility with regard to determining which professionals may or may not work from home and when. In order to avoid disciplinary measures, you are well-advised to comply with the directive. You may also consider contacting your direct superior in your school to express your concerns about your health and safety and to verify if it is absolutely necessary for you to be physically in the building to carry out the required tasks, prior to going in to work tomorrow morning.

Rest assured that we are working on your behalf to clarify matters, as well as to determine an effective response. You will be receiving additional updates from the SPPMEM in coming days. Please be sure to read your emails and check SPPMEM Facebook posts as well as the SPPMEM website for updates.

Thank you for your attention.
